

Reflection questions:

- In what ways can we celebrate Jesus, the King, coming into our lives?
- What do you see, in the character of God, displayed in Jesus, that are worth praising the Lord for?
- What aspects of that character, would you like the Lord to reveal through you?
- How can we ensure we continue to walk with him, even to the cross?

Good Friday Combined Churches Walk With The Cross

On Good Friday local churches are combining to witness to Jesus death and what that means for Christians and for God's world.

Various churches will lead different segments. We will begin at Wensley Centre (corner of Wensley Rd and Queen St) at 11.00am and carry the cross down the main street, stopping for prayer and praise along the way. We'll also pray for our community during this time.

We'll finish at Church on the Hill in a time of free prayer for the Tasman people and places God has put on our hearts.

This is a Richmond Waimea Minister's Association event.
