

Reflection questions:

- What do you believe about Jesus?
- How does what you believe make a difference to the way you relate to others?
- How does it affect your view of the world and where we are heading?
- How might you live in the light of eternity?

10:30 Music Group Annual Report March 2015*

Once again a huge thank you to all the musicians, singers, worship leaders, sound techs and data projectionists, who step up so willingly and loyally at the 10:30 Service.

We thank Marianne Brosnahan for her services to the data projection and hope some new people will step up to help Margaret Martin and Bruce Lyons who have carried a huge load recently.

2014 had big musical inputs from Owen Haring and Caroline Askin. However, this year has seen them move on to the Cathedral and Australia respectively and we wish them well.

We are grateful Antonio Sardella spent a second year as Youth and Music Intern, and for his contribution leading 10:30 and All Age services. We appreciate his administration and musical skills. He has agreed to continue to help us, even though he is pursuing training in a new field.

Welcome Jean Palmer to our team and congratulations on being ordained. Many thanks to John Palmer, who has spent an enormous amount of time setting up and loading songs for the new Easy Worship programme, and who organised the music for the final hour of the church's last prayer day.

Youth Band enthusiastically provided the music in the All Age Services, especially near Christmas last year. We have begun to practice again in 2015, with new member Tobias Young on vocals.

It has been pleasing to see some of the Youth Band feel confident enough to move into the adult groups and we thank Amy Krammer, Lucy and Tristan Summerfield, Alex Ward, and Kay Thomson and Hamish Thomson for this. Please keep encouraging them.

We are grateful to the sound team Bruce Thomson, James Brosnahan and Anne Askin who rose to the challenge of the new sound system, installed in 2014. Two 2-hour continuous Praise Parties were held that year in the church, while the sound team fine tuned.

Jonathan Brosnahan is now attending on Wednesday night practices, so we can practice again with the mics, and hopefully improve our listening and vocal skills, and general musicality.

Recently Richard Rendle from Christchurch ran music workshops in our church for Anglican churches in the top of the South Island on contemporary church music. Those who attended appreciated the easy manner Richard was able to impart knowledge, the encouragement, and the learning gained.

We are always on the lookout for extra musicians and singers, data projectionists and sound technicians, so if God is tapping you on the shoulder please let someone know.

Shirley Jackson—10.30am Music Group Leader
