Social events Co-ordinator – are you a fun loving person who likes to include others and values a strong sense of church community? Might you be interested in arranging occasional social events for Church on the Hill? Please contact Susan

Kidz Church Ministry - Vestry has been discussing and praying about our needs for a Kidz Church Team leader. We really need the position to be 10 hours in order to develop a robust discipleship program. But our budget is predicted to be in deficit even allowing 5 hours per week. One person has offered to contribute an extra \$100 term. Might God be calling you to increase your financial giving in order to provide the hours we need to include Messy Church as well? If five people gave another \$20 a week specifically for this purpose we could do it! (Or smaller increments for more people.) Please ask God:

- To provide the person we need
- To provide the money we need
- How you can help – it might be volunteering to assist with the ministry itself

Love in Action - On Saturday 4 July the Richmond Waimea churches will be showing God's love to the wider community. We believe this is a God-given opportunity to show the community the churches working together and demonstrate God's love in practical ways as we bless them. There are a variety of community based projects all happening on the same day. This allows church members to choose the tasks they are capable of and will enjoy. Please note this day on your calendar and keep it free – there will be more information later. Contact Susan Gill, Ph. 544 8827 or susan.churchonhill@xtra.co.nz

Urgent Call to Prayer - Please pray for the continued and strengthened ministry of CEC (The Churches Education Commission) that provides Bible in Schools and Chaplaincy across NZ. An organisation called S.E.N has now approached the ministry of Education and the Human Rights Commission with the purpose of having Bible in Schools stopped in our country. On Thursday 23 April there will be the first call-over of a High Court hearing being held in the Auckland High Court that affects the work of CEC (The Churches Education Commission) The Red Beach School BOT are being sued because they decided to keep Religious Instruction at their school. The Attorney-General is also being sued, because there is the belief that Section 78 of The Education Act 1964 is inconsistent with the Bill of Rights. So in this case the Crown will be the defendant. This then could all lead to a parliamentary process and there is a chance that the law may be changed which will seriously impact on our ability to teach Bible in schools. Schools are already stopping Bible in Schools being taught because they are worried this could happen to them. Please pray that God's purpose would prevail and that He would use this situation to speak into the lives of all those involved.
