

# Reflection Questions

- There was a great earthquake around the time of Jesus' resurrection. What needs to be shaken up in our society and/or our individual lives?
- In the days of Christ, the witness of women was discounted. What people groups are discounted in our society today?
- Jesus said to the women "Don't be afraid." What fears do you have for our world? How can Jesus' words help?
- Jesus died to break the power of sin. But now that he lives, he lives for the glory of God. What difference does his resurrection life make to society; to you?
