

## Reflection questions:

- What things does God want to turn inside out and upside down for us as a church?
- Do we really want people to come to faith and join us? Are we prepared to go to them?
- What will that require of us corporately?
- How does God want to use your individual time, money, energy, gifting's, passion, personality, prayer life to bring new things to others?

## Naomi Striemer Concert

### *Canadian/American Singer and Author*

Naomi Striemer is currently a best selling author in the US/Canada, a chart topping singer with a new album that has been climbing Christian radio charts around the world (top 5 in both Canada and Australia) with her single Earth & Sky recently spending 16 weeks on the charts in USA. She has appeared as a guest on several Christian TV networks. Naomi is coming to Richmond Community Church 243 Queen Street (Main Doors off the Warring Car park) on Tuesday 6 May 7.30pm - 9.00pm. Naomi walked away from fame and fortune, signing a million dollar recording contract at 18, working with Carlos Santana, Randy Jackson (American Idol) and more, until one conversation in Sean 'Puff Daddy' Combs studio changed it all... she walked away to pursue Christ.
