

Reflection Questions

- In what areas of your life and/or community do you see God's abundant provision?
- In what areas of your life and/or community could that abundant provision flow through you more to reach others also?
- In the early church, the believers sold their possessions (at least some of them) to give to anyone in need! What is the Lord saying to you about their example?
- How might our own fellowship/friendship with each other be genuine, frequent and flow outwards so that we enjoy the favour of all the people and the Lord brings more and more people to him?
