

## Vestry Report

On May 10 Vestry met for a retreat and meeting. We decided to include key points in Pews News after each meeting. So here are some key points from that meeting:

- Communication is vital, beginning with prayer! How can we be more prayerful?
- Opportunities to work with other churches are welcomed and supported.

- Please remember that we are making ourselves known as *"Church on the Hill"*.
- Motions passed to apply to for funds to progress new building and develop the cross parish Budget Service.
- Archdeacon Kevin and Anne Roberts (Resource-arm) have booked their flights to New Zealand arriving 26 October for three weeks ministry with us.

The minutes of our meetings are in a folder at the back of the church. If you would like to discuss anything further please talk to any member of Vestry.

*Vestry members are:*

Anne Askin	Laurie D'Eganneh
Shiona Frengley	Susan Gill
John Palmer	Beverley Payne
Dave Pritchard	Marie Tilley
