GLORIFY CONFERENCE FRIDAY 29 - SATURDAY 30 JUNE / GRACE CHURCH RICHMOND

Last year we ran a conference for our regions worship teams, seeing people attend from churches throughout Nelson and some off the map from Blenheim even. This year we're excited to be bringing you the second instalment in June. This conference features a mix of NZ guest speakers and local musos sharing their gifts and experience, practical workshops geared around instruments, team and leadership, and worship sessions led by different local teams. At the heart of this event is a desire to build into what's happening locally in our churches that we might be united in praise and song, providing the soundtrack to all God is doing among us in reaching our city. We warmly invite you and your teams to join us. \$30 Register via: www.facebook.com/NelsonWorshipCollective

Reflection Questions

In what ways do you see the church being pushed to the margins of society?

What opportunities do you see in this?

Where do you see 'the One who has been born King of the Jews' at work?

In what radical ways might this One be asking us to get out of our comfort zones and really follow him into the community he cares so passionately about?
