### Key Points from Vestry Meeting -

- **Rates** - In February Local Government New Zealand produced a paper arguing that they should be able to charge rates on charities and church properties, which are at present exempt. Their spokesman said he did not see why religious groups should be exempt from paying rates. This would have a huge impact on the services provided by churches and charitable organisations. We would like you to have your say, speak to your local Councillor or email you MP to make your feelings known.
- **Vicarage** - Vestry has approved and work will start as soon as can be organised on upgrading the bathroom and providing a visitors toilet next to the office.

**Rugby Men's Breakfast** - Hope Community Church Men's Ministry together with Grace Church presents a breakfast with Ian Foster, assistant coach of the All Blacks. Ian is the assistant coach of the All Blacks. Previously coach of the Waikato Chiefs, he took the team to the semi-finals in his first year and the final in 2009. He was also co-coach of the Junior All Blacks. A former player, Ian is the most capped Waikato player. Enjoy a hearty cooked breakfast and then hear Ian share his thoughts on leadership and mentoring from a Christian perspective, and maybe even some of the All Blacks secrets! Saturday 30 May. Time: Doors open 7.00am, breakfast 7.30am at Headingly Centre. Cost: \$10 per person. Ticket-only event, limited numbers, so be in quick! Contact Church on the Hill office for tickets.
