

Lunch at the Vicarage - Please consider this a personal invitation to lunch with me, and others, at the Vicarage on a Sunday. There is a chart on the church notice board with the available dates. Just write your names up there and we'll have a simple lunch together. It will be a great way to get to know each other. First in, first served. Much love, Susan

Trinity Sunday - Our annual church celebration falls on Sunday 31 May which is also Queen's Birthday Weekend this year. We are planning a combined service at 10.00am where David Hollingsworth, whom many of you know and love, will be preaching. Normally we begin the day with a combined breakfast – however several people who have previously made this happen are going to be away. My question is: Who is around that wants to help? Much of the planning can happen beforehand and some have already said they are willing to help with menu planning / shopping etc. We plan to ask people to do some baking beforehand eg muffins. However we will still need people on the day to cook bacon and sausages on the bbq, flip eggs etc. If we don't get enough helpers, we simply won't be able to do breakfast this year. We need people to Help organise beforehand / Bake something beforehand / Set up on the day / Cook on the day / Clear up afterwards. Please let me know today.- Susan

7.00pm Sunday 7 June ■ Taizé Service

led by Micah Did-Dell

Taizé is an ecumenical form of prayer modeled after the Taizé community (an ecumenical Christian monastic community of brothers) founded in the 1940's by Br. Roger in Taizé, France. The purpose of the prayer is to foster reconciliation and peace among all people. Christians of all traditions share in this ecumenical prayer. The service consists of song (using the simple chants of the Taize community), scripture, a service of light, a period of silence for meditation concluding with prayers for the world.

Billets for Choir Visit - 24 members of the Choir of Christ's College Cambridge, England will perform at Church on the Hill at 7.30pm on Friday 10 July. They're one of the top choirs at Cambridge University, where the Anglican choral tradition flourishes; they sing music from the 16th Century to the present, English and European, unaccompanied and with organ. They regularly sing at high profile venues in London and before Christmas we completed a run of very successful concerts starting with Mozart's Requiem at St Martin-in-the-Fields, Trafalgar Square and moving through the Messiah and other Christmas repertoire at St John's Smith Square and other locations. In addition, they undertake an international tour every year; last year they travelled through Quebec and Ontario and the previous year the East coast USA from Boston through New York and other cities to Washington. The choir last came to NZ in 2006. We have agreed to host the Choir and need accommodation - 24 beds for 2 nights, Friday 10 July and Saturday 11 July.
