A clear mind - Do you have a logical mind? Do you like completing forms and thinking laterally? We are looking for someone who will work alongside a church member who is involved in making funding applications to various agencies (church and secular) for aspects of our church ministry. Please contact Susan for more information.

Facing the world - Would you like to work in our church office? Are you friendly and warm? Do you like welcoming people and providing the information they need? We are working on establishing a volunteer team of receptionists so that our office is open each morning. We will be looking for people who have some spare time and could offer one or two mornings a week. Currently we are establishing policies and ways of working to enable excellent training and support. Our aim in beginning this ministry is to enhance the "Building Community" part of our mission statement. We want to be able to assist church folk with things like photocopying in the mornings, leaving David more time for his work in the afternoon. We also want the wider community to have more regular access to our services. In due course we will be advertising for people. In the meantime please pray for us. You might even like to ask the Lord if he would have you volunteer in this way.

Preserves - At the back of the church are a variety of preserves that we are selling to reduce our deficit! They are made with a mix of organic fruit and spray free fruit and vegetables. Please consider trying some and buying here rather than at the supermarket. This is a trial for a month to see if there is sufficient interest to continue. Donations of screw top jars, would be most welcome, please leave these in the box at the back of the church. If you want to add to the range, please do. Any queries or comments to Shiona 544 4155.

An opportunity to use your skills to serve others in the community - Vestry have approved the proposal put forward by Yvonne that we develop a team of about 4 people, 2 men and 2 women preferably, who are prepared to go into Waimea Village and to our own elderly church folk, who have a small job needing to be done that they are not able to do themselves. Some jobs that have been suggested are helping people fill in forms, opening jars, small gardening jobs, smoke alarms etc. All jobs will come in through Yvonne who will make sure the job is appropriate and not something we are unable to do. I do not envisage each member of the team being called upon any more than once a month, possibly less than this. Yvonne would love to hear from you if you feel called to this ministry which I think is an excellent way of the church being visible in our community.

Scripture ▪ Song ▪ Silence

7.00pm Sunday 5 June ▪ Taizé Service
led by Micah Did-Dell

Taizé is an ecumenical form of prayer modeled after the Taizé community (an ecumenical Christian monastic community of brothers) founded in the 1940's by Br. Roger in Taizé, France. The purpose of the prayer is to foster reconciliation and peace among all people. Christians of all traditions share in this ecumenical prayer. The service consists of song (using the simple chants of the Taizé community), scripture, a service of light, a period of silence for meditation concluding with prayers for the world.
