Preserves: The first month has been a success so we are going to continue. The sales raised over \$150 for our funds, and so far the feedback has been positive. Many thanks to all who have bought, been encouraging and brought in jars. Please consider buying your marmalade, chutneys and pickles from the church rather than the supermarket. If you have any feedback or ideas please contact Shiona 544 4155/fregles@vodafone.co.nz.

A clear mind - Do you have a logical mind? Do you like completing forms and thinking laterally? We are looking for someone who will work alongside a church member who is involved in making funding applications to various agencies (church and secular) for aspects of our church ministry. Please contact Susan for more information.

Facing the world - Would you like to work in our church office? Are you friendly and warm? Do you like welcoming people and providing the information they need? We are working on establishing a volunteer team of receptionists so that our office is open each morning. We will be looking for people who have some spare time and could offer one or two mornings a week. Currently we are establishing policies and ways of working to enable excellent training and support. Our aim in beginning this ministry is to enhance the "Building Community" part of our mission statement. We want to be able to assist church folk with things like photocopying in the mornings, leaving David more time for his work in the afternoon. We also want the wider community to have more regular access to our services. In due course we will be advertising for people. In the meantime please pray for us. You might even like to ask the Lord if he would have you volunteer in this way.
