You will work with them on assignments, making suggestions about spelling, grammar and coherence. Interested but not sure you have the skills? If you have reasonable skills in spelling and grammar, we can teach you everything else you need to know! Marriage Seminar - What Your Spouse is Really Thinking? This dynamic event hosted by Vince & Cindy D'Acchioli, from California USA, helps couples understand their differences, lay down baggage from their past, and gain tools to build a strong marriage that will last the distance. Couples can find the power of vision. Vince says, "You need a vision bigger than your problem. We need God's vision for our relationship". At this seminar you will discover how men and women differ in four areas: Our past experiences / Our physiological makeup / Our fears and needs / Our natural gifts. The popular On Target "gift test" will be an integral part of the seminar. Vince and Cindy bring us their wisdom and experience from over 20 years of hosting marriage seminars, delivered with the humour that is Vince's trademark! led by Micah Did-Dell

Church on the Hill ▪ 27 Dorset St, Richmond

Taizé is an ecumenical form of prayer modeled after the Taizé community (an ecumenical Christian monastic community of brothers) founded in the 1940's by Br. Roger in Taizé, France. The purpose of the prayer is to foster reconciliation and peace among all people. Christians of all traditions share in this ecumenical prayer. The service consists of song (using the simple chants of the Taizé community), scripture, a service of light, a period of silence for meditation concluding with prayers for the world.
