Nelson Civic Choir: Haydn's Creation - 7.00pm Saturday 22 August, Old St John's, Nelson . Conducted by Chris Lukies and accompanied on the organ by Michael Bell. The soloists are Zoe Bennett and Amanda Crehan (sopranos), Ewen Griffith (tenor) and Graham O'Brien (bass). The Creation is one of the most lyrical pieces in the choral repertoire. It represents the Old Testament account of the days of creation, moving from chaos to light, with the emergence of animals – whale, lions, tigers, cattle, sheep and the sinuous worm! Adam and Eve sing of their gratitude to God and their love for each other, depicting their happy life before their fall from grace. The well-known choruses offer joyous comment on the unfolding story: 'The heavens are telling the glory of God', 'Achieved is the glorious work', 'Sing the Lord, ye voices all'. Earlybird tickets are on sale \$25.00 each or 5 for \$100.00 from Alison Heslop Ph. 544 5067.

Scripture ▪ Song ▪ Silence

7.00pm Sunday 2 August ▪ Taizé Service

led by Micah Did-Dell

Taizé is an ecumenical form of prayer modeled after the Taizé community (an ecumenical Christian monastic community of brothers) founded in the 1940's by Br. Roger in Taizé, France. The purpose of the prayer is to foster reconciliation and peace among all people. Christians of all traditions share in this ecumenical prayer. The service consists of song (using the simple chants of the Taizé community), scripture, a service of light, a period of silence for meditation concluding with prayers for the world.
