

Reflection questions:

- How do you see Jesus using his authority in Scripture?
- What do you think Jesus means by “Very truly I tell you, whoever believes in me will do the works I have been doing, and they will do even greater things than these, because I am going to the Father.” John 14:12
- What authority has God given you?
- How could you embrace and use that authority more thoroughly?

The Lantern Community Centre Prayer Day Saturday 13 September 12.30pm – 5.00pm in the Church

We need God to provide supernaturally for us and the community. The special thing about a church is not its building but its people. However, our new building will open up fresh opportunities to serve others and to grow as a community of believers.

Please make time to come and pray. Come prepared to thank God for his provision so far and to ask for his continued blessing of this project. Feel free to come and go as you please. Please pray with us. Your prayerful support matters!
