Vision

During our 10:30 Sunday service, while Susan was talking of Jesus dying on the cross; our sins are washed away I saw a wonderful sight. Flowing from the altar and down the steps, through the body of the Church was a river of blood. Our Sins. Then the river changed to sparkling clear water, so pristine so pure. I knew that all our sins had been washed clean. I share this with you all so that you can see and believe in our wonderful GOD.

Blessings
