

YWAM Ship Visit -The M/V YWAM KOHA, dedicated to serving isolated island communities in the Pacific, will soon be in Nelson. The ship was gifted to YWAM Ships Aotearoa, and it is preparing to be used powerfully--bringing the gospel and providing free medical service to those who don't have access to it. The M/V YWAM KOHA is uniquely equipped to carry volunteers, as well as, containers outfitted with medical clinics for eye surgeries and dentistry. You don't have to be a marine or medical professional to help, just have a willing heart. If you are interested in learning more or being involved, come on a tour which is free and runs from November 3-17--check for specific days and times go to:www.facebook.com/events/619159941950169/ or call 0204 016 2796 for more information. The use of a vehicle at this time would be a real blessing too. .The family expect to be here until early August 2020. Please urgently circulate these details around the wider Church Community, advertise in your church newsletter, on your notice board and announce to your congregation.
