Sunday 29 November - Santa Parade

Sunday 20 December - Christmas Party

Thanks! - A big thank you to everyone who has helped out at Kidz Church recently: Susan who came to tell us what difficult things the Lord asked her to do (or not to do).... You had to be there! Margaret Reynolds for going beyond the call and supplying gingerbread men fully baked as well as dough for several batches - Griffin and Rhys especially enjoyed coming down to Kidz church to be with the older kids and decorate them. Shiona for supplying the recipes, instructions ingredients and hardware for making mini muffins. Sharon for being such a patient guide in helping the kids mix and prepare the above. Sara for going with a group to give out muffins and help at the home of an older parishioner. Brenda for supplying shoe boxes for the children to fill and finishing them off with things children don't think about sending (like soap!). Kay Thomson - who is awesome at following my vague instructions and helping get the message across! With all your help it is easier to provide the children with meaningful activities and show them that they are full members of the Church community; that they matter and can contribute and make a difference. I am so encouraged by your support. - *Catherine Barak*
