## SOURCE OF LIFE

Source of life, our great Creator  
You have given us so much,  
time and talents., love and laughter.,  
sight and sound and scent and touch.  
Help us not to waste your bounty  
in our petty worldly ways:  
teach us how to use it wisely,  
to your glory and your praise.

Show us how to take our talents,  
whether they be great or small:  
and to use them for your purpose.  
or to use them not at all  
May we treasure what you give us,  
Build on it to make us strong'.  
never squander your wise birthright  
on the things we know are wrong.

Help us not to miss the moments  
when we could be kind and true:  
for our time on earth is finite  
and to serve is loving you.  
May we live each day more fully,  
seeking *you* in word and prayer:  
and in life or death, we ask, Lord,  
May we find your loving care.

Jan Chamberlin
