

**Santa Parade** - 30 November. We looking for children to dress up and sit on the back of a truck, adults and older children/teenagers to be wheel walkers (2 of these could be parents of children on the truck) and others to hand out balloons and invitations to Christmas Dinner. Volunteers at the Church to help tie balloons and banners to the truck from 9.00am would be a big help and does anyone know where we could borrow some hay/straw bales for the children to sit on? Parade starts at 12.00 noon but we need to be at Edward St by 11.00am for judging. Please let Kay know if you can help. **Community Garden.** – Some time ago Vestry gave me permission to investigate the possibility of setting up a community garden beside the hall, but I have been too busy to follow it up other than to mention it to a few people. As a result I have been given 12 tomato and 6 capsicum plants which are in pots at my place. The tomatoes need to be planted out and staked. If we go ahead with this do we have some men able to pick up free pallets and transform them into raised garden beds? Do we know a friendly plumber who would put an outside tap by the hall, and do we have access to free or cheap topsoil, as well as a garden hose and sprinkler, volunteers to pull a few weeds, etc? If you think we could do this please contact me so we can get together to discuss it. Kay Ph 544 8844 (in office Wednesday and Thursday), or email me: [seniors.onhill@xtra.co.nz](mailto:seniors.onhill@xtra.co.nz)

Find out how child sponsorship really transforms lives. You'll also meet Tim, a Malawian man whose life was forever changed by his sponsor. Tim grew up in extreme poverty, and was excluded from school as his parents couldn't afford the compulsory uniforms.
