Lenten Appeal 2015

ICU Patient Monitor, Motorcycles and Sunday school Classrooms -
Welcome to the 2015 Lenten Appeal

The 2015 Lenten Appeal is here! We have some great projects this year for the Province of Jerusalem & the Middle East and the Diocese of Tarime, Tanzania.

The 2015 Lenten Appeal will support:

- **Tarime Clergy Tanzania:** Transportation in this very remote Diocese is a challenge. We are fundraising to supply motor cycles to key clergy in Tarime.
- **Port Said Classrooms, Ministry Centre, Egypt:** The Church of the Epiphany needs to build classrooms for its Sunday schools. The children currently meet outside in the heat.
- **St Luke's Hospital Nablus Israel W. Bank:** The hospital needs additional equipment for its ICU. We are fundraising for a Patient Monitor for the hospital

You can choose which project(s) you want to give to and how much.
All donations assist us in meeting our AMB Missions commitment for 2015.

The Lenten Appeal runs from Wednesday 18 February (Ash Wednesday) until Sunday 5 April (Easter Day).
