

Reflection Questions

- How would you describe humility?
- Jesus says “I tell you not to worry about everyday life”. Matt 6:25 What things make you worry?
- What things enable you to trust God and others?
- What can you share humbly and confidently with others?

CALLING ALL GRANDPARENTS:

It is great to see you in church with your grandchildren.

Although there is no Children's Church at the first service there are plenty of books, mini puzzle books, crayons and baby toys at the back of the Church for them to use. Occasionally (and hopefully more often this year) there will be a special activity or sheet for a special Church occasion.

The bottom two shelves of the children's bookshelf are for the animals from Noah's ark. They are very attractive to the little ones and within reach there. I leave the arks in front of the shelves rather than in the box with the other baby toys as they are more readily available and look better. Lots of toys jumbled in a box never looks attractive and I want it to look like we are being intentional in attracting and providing for our smallest members. (Think about nicely organised magazines in a waiting room as opposed to a jumble with missing pages.)

The shelf above is for board books and baby books which can hopefully withstand the rigours of toddlers. Above that are books for older children. Second to top shelf has very cool mini puzzles books and the top shelf something for older children is the Minecraft Bible (don't ask - but it will appeal to your 10-16 age group!) Also another graphic novel type Bible that is easy to read and will keep them engaged.

Feel free to give me feedback how these go down with your grandchildren and if I am missing anything.
